*Welcome to the Indiana State Fair
from the National Belgian Futurity.*

We not only have a new look, but we have a new structure to enhance this promotional endeavor. As our industry changes and evolves, so must programs such as the Futurity.

With that said, we have made the following initial steps to insure the growth and longevity of the National Belgian Futurity:

- Addition into the Belgian Alliance as an internal program in 2010
- New internal structure/by-laws including election of committee members
- Addition of three year old class for foals entered in 2009
- Premium payouts will be awarded as a percentage basis of total nomination fees
- Retention of Sire/Dam awards
- Restructured to single revered show at Indiana State Fair
- The venue will be an exhibition consisting of line classes exclusively
- Increased promotion of participants through breed publications and via the web

• *Be sure to watch for more specifics throughout this evolutionary process* •
